At Country Crossroads Quilt Shop we chose to celebrate the Christmas Season with a row of pretty packages, all tied up with bows. Gather your favorite holiday fabrics - you only need little bits and pieces - each pkg uses no more than a fat 16th of print, and one strip of coordinating "bow" fabric cut 1-1/2" x approx 20". You can arrange your packages around to suit your taste! In fact, the row all by itself with a few simple borders added makes a festive table runner to celebrate any occasion! Try it with seasonal holiday prints, or use specialty themed fabrics for a Birthday, Wedding or Baby Shower.
