

"The Blocks" - easy piecing...just follow the layouts below. Heavy lines — designate sections to be pieced before block is assembled. I pressed seams towards the "Bow" and "Ribbon" fabrics whenever possible. A good pressing before blocks are sewn to each other insure ease with seams even they are meeting and pressed in the same direction.

Measurements shown = cut sizes

*Sew & Flip triangle corners using 1-1/2" square of appropriate fabric (background or package)

Easy Table Runner: Make row as designed.

Border 1: Frame with 1-1/2" cut strips of background fabric. **Border 2:** Frame with 1" strips made with package and bow scraps (to finish 1/2" wide).

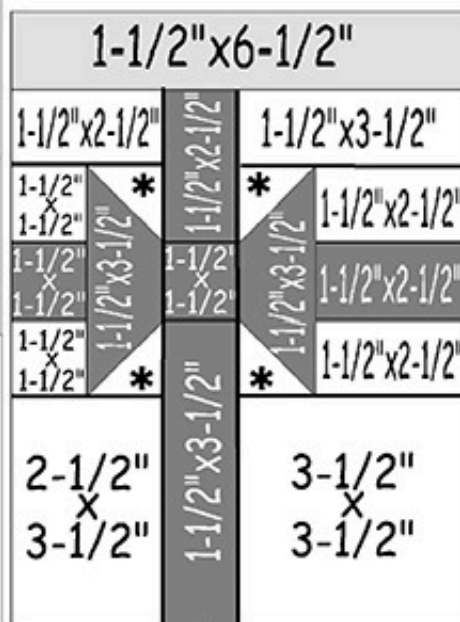

Border 3: Frame again with 1-1/2" strips of background fabric. **Bind** with Background fabric strips cut 3 @ 2-1/4".

approx size: 13"x41" (1/2yd for Borders/Binding)
